Hazardous Weather

Flash Flood Watch Remains In Effect

Valid through 7 PM CDT This Evening

Weather Forecast Office
Shreveport, LA
Issued May 11, 2019 7:29 AM CDT

A Flash Flood Watch remains in effect through 7 PM this evening for East Texas along/south of I-20 as well as all of North Louisiana and portions of Southcentral Arkansas. Showers and thunderstorms will continue to develop and spread across the Watch area today, bringing the threat for additional heavy rainfall and flash flooding. Rainfall amounts of 1-2 inches, with isolated higher amounts, will be possible today, mainly over portions of Deep East Texas and the Southern sections of Northcentral Louisiana.

Flash Flood Watch Today

Watch Valid until 7PM Saturday

Weather Forecast Office
Houston/Galveston TX
Issued May 11, 2019 6:33 AM CDT

The Flash Flood Watch remains in effect until 7pm Saturday. Heavy rainfall possible along the coast late this morning through the afternoon.

Hazardous Weather

More Rainfall Expected Through Saturday

Flash Flooding Is Very Dangerous | Turn Around, Don't Drown

Weather Forecast Office
Corpus Christi, TX
Issued May 11, 2019 7:10 AM CDT

A Flash Flood Watch remains in effect through this afternoon. Another round of heavy rainfall is possible through this afternoon. Make sure you have several ways to receive warnings! Never drive through flooded roads and/or around barricades. Turn Around, Don't Drown!

Flash Flood Watch Until 4 PM Today

Locally Heavy Rainfall May Produce Flash Flooding

Weather Forecast Office
Austin/San Antonio, TX
Issued May 11, 2019 5:21 AM CDT

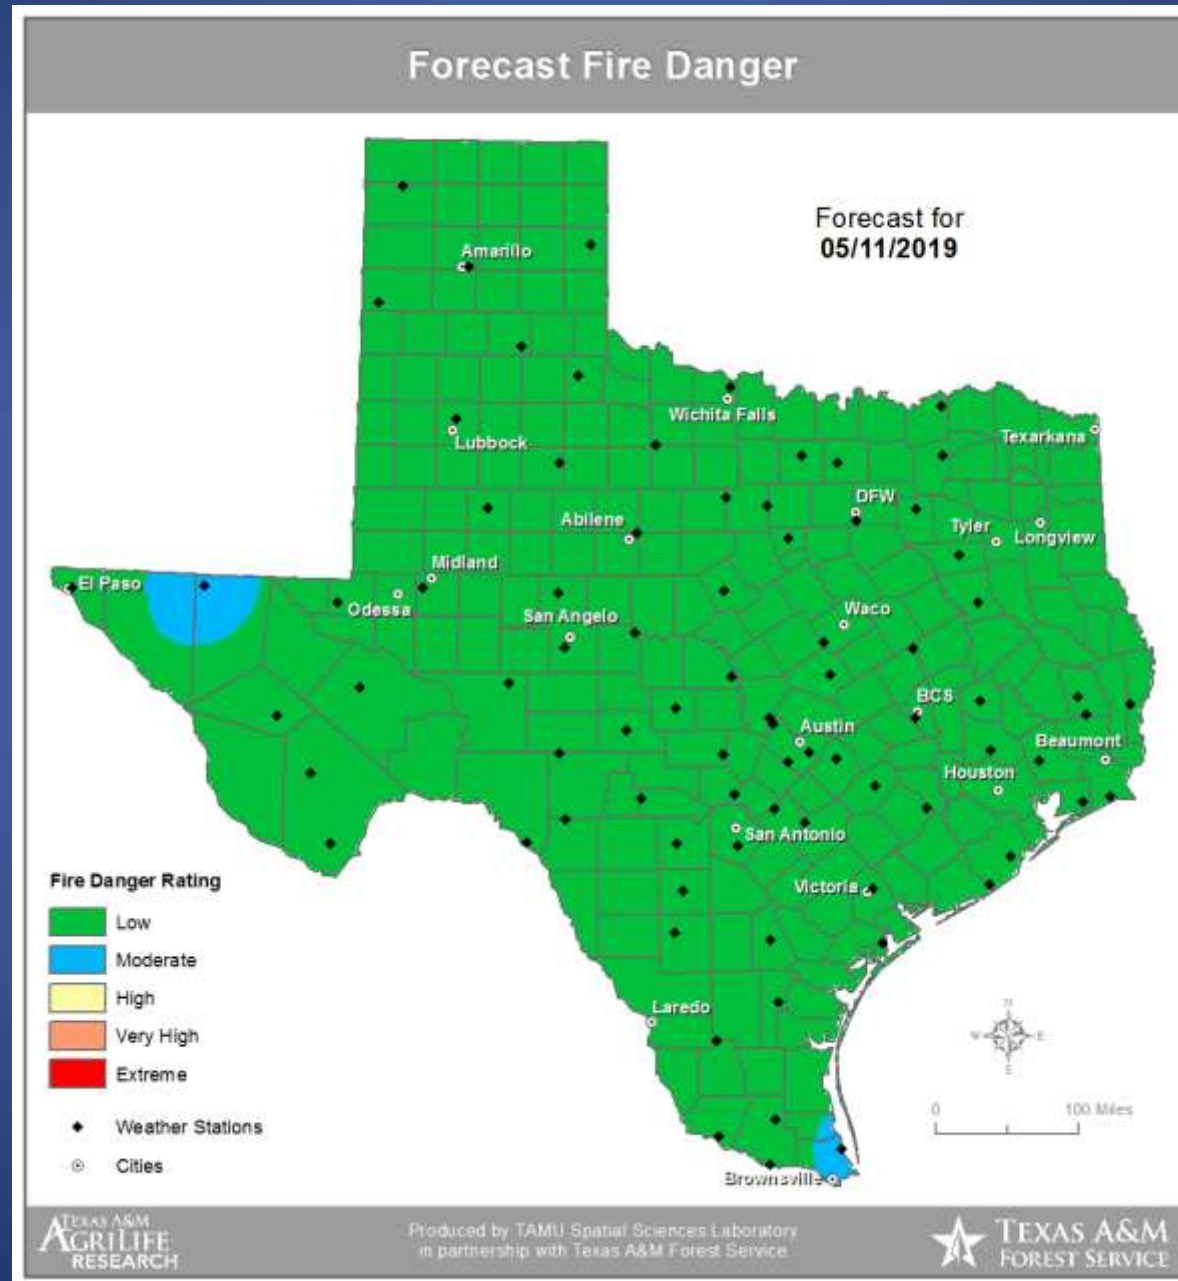

Showers and thunderstorms are possible across south central Texas today, mainly from the Hill Country eastward into the I-35 corridor and coastal plains. Additional rainfall amounts of up to 1 inch are possible, especially across the coastal plains. These rainfall amounts combined with saturated soils from recent heavy rains may lead to localized flooding. As a result, a Flash Flood Watch is in effect for areas generally along and east of U.S. Highway 281 through 4 PM Saturday.
